

Privacy Policy

Last updated: 07/18/2024

Introduction

Welcome to Every File ("App"). This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our mobile application. Please read this privacy policy carefully. If you do not agree with the terms of this privacy policy, please do not access the application.

Information We Collect

Personal Data: We do not collect any personal data from you. The App does not require any personal information to function.

Device Data: The App accesses files on your device to facilitate file sharing through an HTTP server. This data remains on your device and is not transmitted to us or any third parties.

Use of Your Information

The information accessed by the App is solely used to provide the core functionality of creating an HTTP server to share files within your local network. The App does not store, transmit, or share your data with external parties.

Data Security

We implement appropriate security measures to protect your data. However, please be aware that no security measures are perfect or impenetrable. We cannot guarantee the absolute security of your information.

Third-Party Services

The App does not use any third-party services that collect information from you.

Children's Privacy

The App is not intended for use by children under the age of 13. We do not knowingly collect personally identifiable information from children under 13. If we discover that a child under 13 has provided us with personal information, we will delete such information immediately.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy within the App. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted within the App.
